

Art at Stems

Plein Air Paint

What is plein air? Simply painting outdoors – think Monet. The Stems 2012 Plein Air Paint will be held from May 19 to June 2 with nearly 150 artists painting at the Arboretum & Botanical Gardens, Deanna Rose Children's Farmstead, and Downtown Overland Park. These paintings will be juried and available for sale June 6 at the VIP Plein Air Reception, at the Rice Gallery of Fine Art, June 15-July 8 at the Art at the Center Gallery in Tomahawk Ridge Community center, June 21 at the Stems Sponsorship & Patron Party, and of course, June 23 at Stems.

KC Woodturners

KC Woodturners will be here this year presenting one-of-a-kind handcrafted wood art. These unique pieces will be available for purchase June 13 at the KC Woodturners VIP Party at 77 South, June 21 at the Stems Sponsorship & Patron Party, and of course, June 23 at Stems.

This is your chance to purchase original, one-of-a-kind art, and support local artists and the Arts & Recreation Foundation of Overland Park. For more information, and to see some of previous year's plein air winners, please visit www.stemspleinair.com
