**ARBORETUM COMMEMORATIVE GIFTS**

Commemorative gifts are a thoughtful way to honor or memorialize a loved one or occasion.

**Pavers**
The Haake Celebration Terrace, established in 2011, is a wonderful way to celebrate a milestone, recognize someone special or pay tribute to a loved one. Create a personalized message that will be inscribed on the paver.

Prices vary by size.

**Seasonal Color**
Sponsorship of a flower bed for a season is a beautiful way to honor your family or organization or to memorialize a loved one. Select a tranquil woodland area or a colorful flower bed in the gardens. A marker with your name will be placed in the sponsored area for each year of sponsorship.

Multi-year commitments are available.

**Train Garden**
Opportunities abound in the metro area’s only public G-scale Train Garden, a strikingly popular feature.

- Brick on the Axial Walkway
- Plaque on Railroad Tie
- Leatherwood Depot Custom Furnishings
- Specialty Bench

**Benches**
Benches add to the beauty of the Arboretum and create opportunities to relax and enjoy the view. They are selected to blend with the design and spatial relations of each garden and trail. Donations provide for the benches as well as the maintenance of the surrounding area for a period of 10 years.

OUR MISSION STATEMENT

“To preserve, enhance and promote the Overland Park Arboretum & Botanical Gardens”

What does your membership/donation do? For over 25 years, FOTA has proudly supported the Overland Park Arboretum & Botanical Gardens. Thanks to the generosity of donors and members, FOTA has been able to contribute to capital projects, annual events, and educational programming.

Capital projects have included new gardens, greenhouses, signage, and landscape features.

Annual events sponsored by FOTA – exhibits, Hot Summer Days, Nights at the Arboretum, Hedge Apple Day, and others – provide extra special reasons for families to visit the Arboretum.

And the Arboretum is all about learning for all ages. FOTA funds the Education and Special Events staff position, the birding and tree programs, children’s classes, and more.

As FOTA looks to the future, there are so many opportunities to help the Arboretum grow:

- Major exhibits
- Legacy Garden enhancements
- Visitor Center
- International Sculpture Garden
- Conservatories and new gardens

WE LOOK FORWARD TO HAVING YOU BE A PART OF THE FUTURE OF THE ARBORETUM!
