ShowClix Online Ticketing Platform

ARFOP staff will set up online ticketing capability for all ticketed events utilizing **ShowClix**. Visit https://www.showclix.com/ticketing/online-ticketing.com to get an overview of the platform's capabilities.

The cost is passed on to the consumer – per ticket fee + credit card processing costs. The price of the ticket is the net amount earned.

ShowClix provides phone support for customers – **888-850-8718**. Only refer people to this number for ticketing questions – not event questions.

Features:

- Timed ticketing

- Venue seating

- Bundles (added

- Access codes for members and others

- Custom promo codes for discounts

- Donations may be added to purchases

- Check-in using any mobile device – QR code read by phone or iPad

- Customers can swap/exchange their own tickets for a different time or date using the link provided on their receipt. (We cannot exchange tickets purchased at one price for tickets at a different price.)

- Customers can choose virtual tickets or print-at-home tickets

Upon request, ARFOP staff can provide periodic (daily, weekly, etc.) automated status reports on ticket sales and income to steering committee members.

Collaborate with ARFOP Community Engagement Manager on content/theming for the ticketing webpage.
