INDEPENDENT AUDITORS' REPORT

To the Board of Directors

The Arts and Recreation Foundation of Overland Park, Inc.

Opinion

We have audited the financial statements of **The Arts and Recreation Foundation of Overland Park, Inc.**, which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of **The Arts and Recreation Foundation of Overland Park, Inc.** as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **The Arts and Recreation Foundation of Overland Park, Inc.** and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 2 to the financial statements, during the year ended December 31, 2022, the entity adopted the Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **The Arts and Recreation Foundation of Overland Park, Inc.**'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

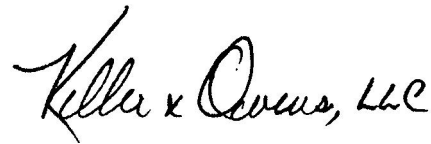

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **The Arts and Recreation Foundation of Overland Park, Inc.**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **The Arts and Recreation Foundation of Overland Park, Inc.**'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited **The Arts and Recreation Foundation of Overland Park, Inc.**'s December 31, 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 14, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

THE ARTS AND RECREATION FOUNDATION OF OVERLAND PARK, INC.

NOTES TO FINANCIAL STATEMENTS December 31, 2022

1. NATURE OF ORGANIZATION

The Arts and Recreation Foundation of Overland Park, Inc. – (the “Foundation”) is a nonprofit corporation whose mission is to support and promote the development and operation of the Overland Park Arboretum and Botanical Gardens, the Deanna Rose Children’s Farmstead, and Overland Park Arts through the Foundation and the arboretum, farmstead, and arts friends’ groups. Together they have raised significant funding to develop the arboretum, expand the farmstead, and enhance the arts programs. Their goal is to make these facilities and programs attractive and accessible to all residents of the Kansas City region.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounts Receivable – Other receivables primarily consist of amounts due for special events. Accounts receivable are stated at the amount management expects to collect from outstanding balances. Accounts over 30 days are considered past due. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts, based on historical experience, existing economic conditions, and subsequent collections. The allowance as of December 31, 2022 and 2021 was \$-0-.

Advertising Costs – The Foundation expenses advertising costs as they are incurred. Total advertising costs during 2022 and 2021 were \$100,450 and \$142,064, respectively.

Basis of Accounting – The Foundation prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents – For purposes of the statement of cash flows, cash and cash equivalents are considered to be all highly liquid investments purchased with original maturity dates of less than three months. Cash and cash equivalents in brokerage accounts, which are part of investments on the statement of financial position, are excluded from this definition.

Concentrations of Credit Risk – The Foundation maintains its cash in bank accounts in amounts that may exceed federally insured limits at times. The Foundation has not experienced any losses in these accounts in the past, and management believes the Foundation is not exposed to significant credit risks as it periodically evaluates the strength of the financial institutions in which it deposits funds. As of December 31, 2022, the Foundation had approximately \$2,695,000 in deposits in excess of federally-insured limits.

THE ARTS AND RECREATION FOUNDATION OF OVERLAND PARK, INC.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated Nonfinancial Assets – Donated goods and services are reflected as contributions at their estimated fair values at date of receipt. Donated services are valued based on current rates for similar services. Donated goods are valued based on vendor quotes for similar products. During 2022, the Foundation received approximately \$104,000 in donated goods and services for special events, including \$91,000 in advertising and \$13,000 in supplies. During 2021, the Foundation received approximately \$147,000 in donated goods and services for special events, including \$137,000 in advertising and \$10,000 in supplies.

The Foundation and the City of Overland Park, Kansas, (the “City”) have entered into an agreement in which the City will provide, as is practical and reasonable, at no cost, the use of facilities for the promotion of the Foundation’s mission and objectives and raising funds and donations, provided the funds raised are used to support programs, projects, and events offered by the City or those programs, projects, and events supported by the City that provide cultural arts opportunities and recreational activities for the residents of and visitors to the City. In addition, the City agrees to make available at no cost, office space for the Foundation’s staff. The value of this agreement cannot be determined and is not included as a contribution or an expense on the financial statements.

Additionally, a number of volunteers donated services to the Foundation. These services do not meet the criteria for recognition as a contribution and thus are not reflected in the accompanying financial statements.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses – The Foundation allocates expense on a functional basis among the various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated by management’s estimate of resources devoted to the program or support service, requiring allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages and employee payroll taxes, which are allocated based on time and effort spent in functional areas.

THE ARTS AND RECREATION FOUNDATION OF OVERLAND PARK, INC.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes – The Foundation is a Kansas non-profit corporation and has been recognized by the IRS as exempt from Federal income taxes, except on unrelated income, under Section 501(c)(3) of the Internal Revenue Code, qualifies for the charitable contribution deduction, and has been determined not to be a private foundation.

The Foundation's policy with regard to income tax is to record a liability for any tax position that is beneficial to the Foundation, including any related interest and penalties, when it is more likely than not the position taken by management with respect to the transaction or class of transactions will be overturned by a taxing authority upon examination. Management believes there are no such positions as of December 31, 2022, and, accordingly, no liability has been accrued.

Investments – Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Net investment return (loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Net Assets – Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor or certain grantor restrictions. They also include any designations by the governing board.

Net assets with donor restrictions – Net assets subject to donor- or certain grantor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. We report contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

THE ARTS AND RECREATION FOUNDATION OF OVERLAND PARK, INC.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Promises to Give – The Foundation records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discount is included in contributions and grants revenue in the statement of activities. The Foundation determines the allowance for uncollectible promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectible.

Recently Issued Accounting Pronouncements – During 2022, the Foundation adopted the provisions of Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The amendment improves financial reporting by providing new presentation and disclosure requirements about contributed nonfinancial assets for NFPs, including additional presentation and disclosure requirements for recognized contributed services. The Foundation’s financial statements and related notes reflect the application of the guidance for 2022. The standard is applied on a retrospective basis. No changes were made to net assets from applying the amendment.

Revenue Recognition – The Foundation recognizes contributions when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. As of December 31, 2022 and 2021, there were no conditional promises to give.

Membership dues, which are nonrefundable, are comprised of exchange transaction elements based on the benefits received. The Foundation recognizes membership dues over the membership period. Payments are required at the time of sale or start of the membership period. Amounts received in advance are deferred to the applicable period.

The Foundation holds various special events throughout the year. Tickets are priced at varying levels based on each event and can be purchased in advance, or in some cases, the day of the event. Revenues from ticket sales and sponsorships are recognized when the event occurs. Events are held rain or shine, and there is no right of return associated with the ticket sale.

**THE ARTS AND RECREATION FOUNDATION
OF OVERLAND PARK, INC.**

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition (continued) – The Foundation also had various items for sale at events or sales as fundraising activities. Merchandise and concession items purchased are delivered to customers directly. There is no right of return associated with any items the Foundation sells. Control of the items purchased transfers to the customers when the item is purchased. These revenues are reported as merchandise sales revenue on the statement of activities.

Subsequent Events – Management has evaluated events and transactions that have occurred since December 31, 2022 and reflected their effects, if any, in these financial statements through January 3, 2024, the date the financial statements were available to be issued.

3. LIQUIDITY AND AVAILABILITY OF RESOURCES

The following represents the Foundation’s financial assets available for general expenditures within one year as of December 31:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 4,223,383	\$ 5,357,128
Investments	440,650	1,230,407
Receivables	<u>607,308</u>	<u>710,504</u>
	5,271,341	7,298,039
Less: board-designations	(1,880,480)	(1,593,997)
Less: net assets with donor restrictions	<u>(846,789)</u>	<u>(3,377,306)</u>
 Total Financial Assets Available to Meet General Expenditures Over the Next 12 Months	 <u>\$ 2,544,072</u>	 <u>\$ 2,326,736</u>

In addition to financial assets available to meet general expenditures over the next 12 months, the Foundation operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources. The statement of cash flows identifies the sources and uses of the Foundation’s cash. The investments are highly liquid, with no withdrawal restrictions.

THE ARTS AND RECREATION FOUNDATION OF OVERLAND PARK, INC.

NOTES TO FINANCIAL STATEMENTS December 31, 2022

4. FAIR VALUE MEASUREMENTS

The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three-tier hierarchy of inputs are summarized in the three broad levels below:

- Level 1 – Inputs are unadjusted quoted market prices in active independent markets for identical assets and liabilities;
- Level 2 – Inputs are directly or indirectly observable estimates from quotes for similar but not identical assets and liabilities, market trades for identical assets not actively traded or other external independent means;
- Level 3 – Inputs are unobservable and reflect assumptions on the part of the reporting entity.

The following is a description of the valuation methodologies used for Level 2 fair value measurements. There have been no changes in the methodology used during the year ended December 31, 2022 and 2021.

- *Bonds* – Fair value is determined by custodians of the securities using recently executed transactions, market price quotations, and bond spreads obtained from independent external parties, such as vendors and brokers, adjusted for any basis difference between cash and derivative instruments. The spread data used are for the same maturity as the bond. If the spread data do not reference the issuer, then data that reference a comparable issuer are used. Bonds are classified within Level 2 of the fair value measurements table.

**THE ARTS AND RECREATION FOUNDATION
OF OVERLAND PARK, INC.**

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth information about the levels within the fair value hierarchy at which the Foundation's financial assets and liabilities are measured on a recurring basis at December 31, 2022:

8. PAYCHECK PROTECTION PROGRAM

On April 15, 2020, the Foundation was approved for a \$31,420 Paycheck Protection Program (“PPP”) loan from a financial institution under the CARES Act. On January 5, 2021, the PPP loan was forgiven, and it was subsequently recognized as a contribution and included in contributions and grants in the 2021 statement of activities.

9. OTHER COMMITMENTS

During 2021, the Foundation entered into agreements with the City to provide to the City funds raised from the capital campaign for the purpose of constructing the Long House Visitor Center. While the total commitment amount is \$11,140,000, the remaining \$3,140,000 at December 31, 2022, is expected to be paid on the following schedule:

<u>Year ending December 31,</u>	
2023	\$ 2,140,000
2024	500,000
2025	500,000
2026	80,000
2027	<u>80,000</u>
Total Future Expected Payments	<u>\$ 3,300,000</u>

10. NEW ACCOUNTING PRONOUNCEMENTS

ASU 2016-13, Financial Instruments – Credit Losses

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. This standard requires application of the current expected credit loss (“CECL”) methodology for the measurement of credit losses on financial assets measured at amortized cost. The CECL methodology replaces the previous incurred loss methodology. It also modifies the accounting for available-for-sale debt securities, which must be individually assessed for credit losses when fair value is less than the amortized cost basis. This standard is effective for annual reporting periods beginning after December 15, 2020. The standard is applied on a modified retrospective approach.

In November 2019, the FASB issued ASU No. 2019-10, *Financial Instruments – Credit Losses (Topic 326), Derivatives and Hedging (Topic 815), and Leases (Topic 842): Effective Dates*, which deferred the effective date of the new CECL standard. The new standard is effective for fiscal years beginning after December 15, 2022.

10. NEW ACCOUNTING PRONOUNCEMENTS (continued)

The Foundation is evaluating the effects that these standards will have on its financial statements and related disclosures.

11. SUBSEQUENT EVENTS

In May 2023, the Foundation received a \$1,000,000 gift related to its Growing Kindness Sculpture project.

In May 2023, the Foundation entered into agreement with the City to fund the cost of materials and labor for the construction of the Draft Horse Depot in an amount not to exceed \$666,038.

In August 2023, the Foundation entered into an agreement with the City to fund the purchase and installation of furniture for the Long House Visitor Center in an amount not to exceed \$130,000.

The Foundation disbursed a total of \$2,090,000 in 2023 to the City of Overland Park for the purpose described in Note 9.
