

2024 COMMUNITY PARTNERSHIP PROGRAM

FOR THE PAST 28 YEARS, the Arts & Recreation Foundation of Overland Park (ARFOP) has enhanced the community experience for Overland Park families and visitors by focusing on cultural opportunities and building community spirit through support of the Overland Park Arboretum & Botanical Gardens, Deanna Rose Children's Farmstead, and public art. ARFOP shares pride in these accomplishments with the hundreds of donors and volunteers who give time and treasure generously each year to make these Overland Park attractions possible.

THE ARBORETUM

THE FARMSTEAD

Community involvement has been critical to the Foundation's history of support for these popular venues and programs. In 2021, ARFOP created and introduced a formalized Community Partnership Program that allowed local businesses and companies to engage with the Foundation on an annual basis for year-round involvement and showcase their community participation and philanthropic profile. We are now offering these Partners a chance to renew their Partnership with the Arts & Recreation Foundation of Overland Park for the 2024 calendar year, and we invite new Partners to join in this effort.

To become an ARFOP Community Partner, make a single annual donation at your desired level (see details on page 2) and receive valuable exposure, recognition and other tangible benefits for your company, your employees and your clients and customers. ARFOP Community Partnerships can be "customized" based on your desired level of support. Packages start at just \$5,000/year and each offers select options for you to choose which one best suits your goals and interests.
